 Marietta, Ohio 45750

Now Ohio residents who did not finish high school have a variety of ways to complete their Ohio high school diploma -

	22+ High School Credit Recovery (22+)	Adult Diploma Program (ADP)	High School Equivalency Diploma (GED or HiSET or TASC)
Age	Open to adults 22+	Open to adults 22+	Open to adults 16 and over
Diploma Type	Locally-issued High School Diploma awarded from district of residence	State-issued High School Diploma awarded	State recognized equivalency diploma issued by testing authority approved by Ohio Department of Education
Availability	Washington County Aspire Education Center	Washington County Aspire Education Center	*Washington County Aspire Education Center
Testing	Students must meet the graduation requirements from the time of entry in 9th grade (i.e. earn required number of credits; pass OGT/proficiency, etc.)	Students do not have to pass the OGT/ Proficiency test; however, they are required to pass the ACT WorkKeys at the median level for the field of study	GED = Computer Test; HiSET = computer or pen & paper; TASC = computer or pen & paper
Duration	Maximum of 2 consecutive years to complete program	Program duration depends on the Remediation time for WorkKeys, if needed, plus the length of the credential program (usually 3 to 18 months total)	All prep work is completed at your own pace. Testing is completed in two to four hour intervals on multiple days by appointment
Requirements	Number of high school credits required depends on requirements when student entered 9th grade. Limit of 2 consecutive years for a student to earn recovery credits. Recommend for those with no more than 7 total credits needed and no more than 2 OGT/proficiency tests needed.	No minimum number of high school credits required Based on passing WorkKeys at median level for the field of work studied with a total WorkKeys score of 13 or higher.	No minimum number of high school credits required. All testing is skills based. All are equal in levels tested, passing level varies. You can attain college ready level on each test with certain scores.
Best for...	Best for adults who want to earn a High School Diploma and want to pursue any career field (not just in-demand jobs)	Best for adults seeking to enter in-demand job fields. We currently offer State Tested Nursing Assistant (STNA); Phlebotomy; Business Office Skills Specialist (BOSS); Information Technology Professional (ITP); Heating, Ventilation, & Air Conditioning (HVAC); Welding; Medical Assistant; Medical Billing Specialist; and CDL Class A & B. New programs are added yearly!	* GED = Best for those wanting to complete a 2 or 4 year college degree without remedial classes required. Aligned with CORE standards. * HiSET = Good for those wanting to pursue a 2 year or vocational degree. Little or no remediation required. In process of alignment with CORE standards. TASC = Good for those just wanting a diploma or to maintain current job or improve position in current field of work. In process of alignment with CORE standards.
